FIDI Project 2020

International Meeting with multicultural activities

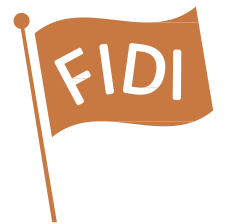

The festival is a showcase of linguistic, cultural, gastronomic and musical activities such as theatre plays, concerts and many more that attracts a varied public. The festival offers many opportunities for companies reaching more than 10,000 people of all ages and origins.

Stands for language academies

Schools have a great opportunity to meet in person students, who want to enroll in a language course, whether in Valencia or abroad. Participants can plan their future studies with you while enjoying the festival in a fun and stimulating environment.

Meeting with professionals of the sector.

On Sunday 10th will be held a networking event between professionals and leaders of the sector as local schools, agencies, public high schools and foreign institutions with the aim of promoting the language sector.
